

Greetings:

Youth Outreach Services (YOS) is excited and looking forward to your participating in YOS 12 week job readiness mentor program that will help provide job training and business development to at-risk youth and teenagers, including the population involving those transitions from Juvenile Detention Center. Youth Outreach Services has been around for 20 years in the Richmond, Washington, DC, and Northern Virginia areas. We have a lot of experience with assisting at-risk youth and teenagers and redirecting their behavior, placing them on the right path.

YOS staff is taking this program to another level by obtaining a facility to transform into a Non-Traditional Career Center for job training and small business development, "operated and owned by the at-risk young adults and their Business Mentors."

YOS is seeking Business Mentors and volunteers to partner with the many activities that YOS is offering in the community to help the homeless and unemployed to become employable, re-enter the workforce, or entrepreneurs.

Warm Regards,

Elizabeth Charity
